Dear Agency Head:

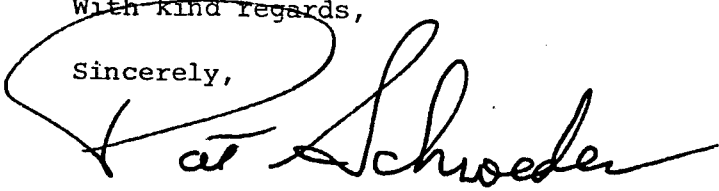

Section 301 of the Civil Service Reform Act (5 U.S.C. 3111) authorized agencies to accept volunteer service from students under certain conditions.

I am interested in whether your agency has utilized the authorities under this section. If so, please describe the situation in which this authority was used, how many volunteers it involved, the type of work they were doing, whether there was any provision for the volunteers to convert to or apply for civil service jobs, and whether the program is on-going. Further, please inform me of any plans you have for the continued use of this authority.

I hope you can respond by November 15, 1982. Any questions about this request should be directed to Andrew Feinstein at 225-4025.

With kind regards,

Sincerely,

  
PATRICIA SCHROEDER  
Chairwoman
